

Swan Valley School District Strategic Plan Summary 2016-17

HIGH STUDENT ACHIEVEMENT

Goal Statement: Students will improve their proficiency in literacy, problem solving, and use of technology in all core academic areas.

Strategies:

- Implementation of Best Practice Instructional Strategies in Reading and Writing with the use of the following: Base Camps, MAISA reading units, Macomb Literacy Instruction, collaborative research writing projects, academic vocabulary, SAT/PSAT, and implementation of the Reading Street resources (K-5)
- Multi-tiered systems of support , response to intervention, and differentiated instruction
- Implementation of Best Practice Instructional Strategies in Mathematics/Science
- AIMSWeb assessment and progress monitoring

SAFE ENVIRONMENT

The District will ensure a safe and respectful environment

- Maintain and improve facilities as needed
- Gather and analyze data concerning communication and safety

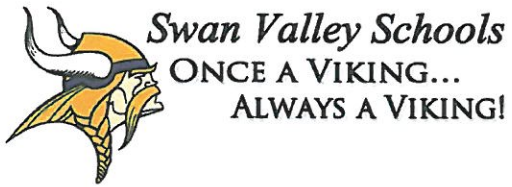

HIGH PERFORMING STAFF

- Review evaluation instruments and processes for all staff
- Continue to monitor the success and sustainability of the district 1:1 initiative
- Implement the elementary stratification plan

FISCAL RESPONSIBILITY

- Balanced budget and healthy fund equity
- Provide staff support, resources, and professional development that will increase revenue from external sources.
- Establish a Swan Valley Schools Foundation

Swan Valley School District Strategic Plan Summary 2016-2017

MISSION STATEMENT

Swan Valley School District is dedicated to actively involving students and adults in achieving their maximum potential by providing focused, high quality programs which prepare them to be self-sufficient citizens, promoting our district as a community resource, and building partnerships with business, service groups, and residents of the community.
